

The Thrift Store has re-opened for business and Pat and her crew are looking forward to seeing their old friends and meeting new customers. The store was closed for ten months after a devastating fire destroyed everything but the structure. For over 30 years we've been able to serve the community and those in need in Lawrenceville and Gwinnett County with, clothes, furniture, household items and appliances.

I know that no matter what might come our way, our God is able to turn everything around for our good, even after this fire. Thanks for your time, Pat and the staff are looking forward to seeing you all real soon.
